

SOCO CHURCH TEAMS

ADMINISTRATION

Support the mission of the church by keeping things running smoothly behind the scenes. From managing communication to handling data and resources, this team ensures every detail is covered so ministry can thrive. If you're detail-oriented and love bringing order to chaos, this is your place to serve with purpose.

CAFE

The Cafe is more than coffee and pastries. It's a chance to create comfort for people who may be walking into church nervous or unsure. A warm drink, a kind smile, or a simple "Good morning" can break down walls and help someone feel seen, safe, and welcomed. Whether you're engaging with guests at the counter or quietly keeping things stocked and clean, your presence matters.

This team helps set the tone for someone's entire church experience - and maybe even their journey toward Jesus.

CREATIVE

If you have a passion for storytelling through social media, photography, or videography, the Creative Team is a place to bring those gifts to life. You'll help shape the way our church connects with the world - capturing moments, sharing stories, and inspiring others through meaningful, visual expressions of faith.

It's more than content creation. It's a chance to be part of something bigger. In this collaborative space, you'll grow your skills, serve with purpose, and help communicate the love, joy, and culture that make SOCO Church feel like home.

DISCOVERY

Be part of the team that helps others find their place, their people, their purpose and take their next step at SOCO. The Discovery Team hosts our monthly class with warmth and excellence - welcoming guests, serving food and refreshments, managing logistics, and making meaningful connections. If you love helping people feel seen, supported, and empowered, this is the team for you.

ENVIRONMENTS/EVENTS

The Environments Team brings vision to life - creating spaces that make people feel welcome, inspired, and at home. From Easter to Christmas and everything in between, you'll help transform ordinary rooms into meaningful experiences that reflect the heart of SOCO.

Whether you're designing displays, setting up creative elements, or shaping the vibe of a space, your eye for detail and passion for hospitality will help visually communicate our message in fresh, memorable ways. It's a hands-on role where your creativity and teamwork make a lasting impact.

FACILITIES

The Sunday Facilities Team helps create an environment where people feel welcomed, comfortable, and cared for—from the moment they walk through the doors. By keeping restrooms clean, restocking supplies, and making sure every space is tidy and ready, this team ensures that nothing distracts from what matters most: encountering Jesus.

It may be behind the scenes, but the impact is front and center. If you take pride in the details and want to be part of a team that makes a real difference in people's experience, the Facilities Team is a great place to serve.

MISSIONS

Do you have a heart for serving others and making a tangible difference in our community and beyond? The Missions & Community Outreach Team at SOCO Church exists to share the love of Jesus through acts of service, partnering with local organizations, and supporting global mission efforts. By joining this team, you'll have the opportunity to plan and participate in outreach projects, build relationships with community members, and bring hope to those in need. It's a hands-on way to live out your faith, connect with others, and make a lasting impact both locally and around the world. Come join us and help spread Christ's love in practical, life-changing ways.

NEXT STEPS

Help people take life-changing steps in their faith journey. Whether it's saying yes to Jesus, signing up for baptism, or receiving prayer, the Next Steps Team walks alongside individuals during some of the most meaningful moments of their lives.

If you have a heart for encouragement and a passion for helping others grow, this is the team for you.

PRODUCTION

ASSISTANT PRODUCER

The Assistant Producer supports the Service Producer by managing details like Stage cues, mic transitions, and ensuring smooth execution of all elements. They also help coordinate volunteer teams and provide backup assistance wherever needed.

PRO PRESETER OPERATOR

The ProPresenter Operator manages and advances all on-screen content, including lyrics, sermon slides, and media elements. They ensure smooth transitions and troubleshoot technical issues to maintain a distraction-free worship experience.

AUDIO ENGINEER

The Audio Engineer is responsible for mixing live audio to create a clear, balanced sound for both the room and online broadcast. They work closely with the worship team to adjust microphone levels, in-ear monitors, and troubleshoot any sound issues.

SERVICE PRODUCER

The Service Producer oversees the entire production flow, ensuring a seamless and distraction-free worship experience. They communicate with all production team members, calling cues and managing transitions.

CAMERA OPERATOR

The Camera Operator captures high-quality, well-framed shots that enhance the storytelling and worship experience. They follow the video director's instructions to switch angles, adjust movements, and keep visuals engaging for both in-person and online audiences.

VIDEO DIRECTOR

The Video Director leads live camera feeds, graphics, and prerecorded elements to create a dynamic and professional broadcast. They work closely with the camera operators and ProPresenter team to ensure seamless visual transitions throughout the service.

LIGHTING ENGINEER

The Lighting Engineer operates lighting cues that enhance the worship atmosphere and align with the service flow. They ensure proper lighting levels for both in-person and broadcast audiences, adjusting as needed for clarity and impact.

PROJECTS

The Projects Team handles requests that come in to better the premises and/or prepare for upcoming events. These are typically one-off projects, requiring something to be repaired or maintained, something new to be built for an upcoming event, or setting up/tearing down for major events. This team plays a critical role in providing the visitor with a unique, well planned out experience.

PYV (PLAN YOUR VISIT)

Serving on the PYV Team means being the first friendly face someone sees at SOCO. You help guests feel seen, valued, and at home from the moment they arrive, turning what could be an intimidating visit into a warm, welcoming experience. This could include answering any questions, helping families check their children into SOCO Kids, or giving tours of the building.

Your role isn't just helpful, it's crucial in making first impressions that last.

SECURITY

The Security and Medical Response Team is responsible for ensuring the safety and security of the premises, responding promptly to any security/Medical threats or emergencies. The team is trained to handle a range of security-related issues, including surveillance, access control, and emergency evacuation procedures. Additionally, they are equipped with the skills and resources to provide immediate medical assistance during emergencies, including administering first aid, CPR, and coordinating with external medical services for more serious incidents.

SHUTTLE

The Shuttle Team is responsible for transporting volunteers and attendees safely and efficiently between the parking lots and our main building. The drivers are the first contact that day with our church experience, and as such, we hope to provide them a warm welcome, bring a smile to their face, and assist passengers as needed. They play a key role in ensuring that individuals can easily access the premises while maintaining a high standard of service and safety throughout their shuttle experience.

SOCO KIDS

SOCO Kids is more than childcare. It's a ministry where the foundation of faith is being laid in the hearts of the next generation. Every Sunday, we serve children from 6 weeks through 5th grade with age-specific classrooms, engaging curriculum, and intentional care.

Classroom Breakdown:
Nursery (6 weeks – 2 years)
2s & 3s
PreK & Kinder (4s & 5s)
Elementary (1st – 5th grade)

Whether it's rocking a baby while praying over them, leading a game that brings Scripture to life, or helping a child memorize their first Bible verse, what happens in SOCO Kids matters.

If you have a heart for children and want to make an eternal impact in a fun, high-energy, Christ-centered environment, this is the team for you.

USHER

Ushers play a vital role in creating a welcoming and comfortable experience for everyone who walks into the SOCO Church auditorium, especially our first-time guests. You're not just helping people find a seat; you're helping them feel at home.

As an usher, you serve by welcoming guests, assisting families to their seats, keeping an eye out for open rows, and guiding people to areas of interest throughout the building. You're also there to meet practical needs, whether it's offering earplugs, tissues, cough drops, coloring pages for kids, or simply answering a question with kindness and clarity.

A warm smile and a thoughtful gesture from an usher can ease anxiety, open hearts, and create space for people to encounter God in a powerful way.

WELCOME

Being part of the First Impressions Team means you carry more than a task, you carry the heart of our church. At SOCO, this team holds a place of high value because we are the first faces people see when they walk through the doors on a Sunday. We set the tone. We help create an atmosphere of warmth, joy, and genuine welcome.

Your role is essential. You're not just greeting, you're showing people they matter. Our number one goal is simple but powerful: to love people well and make them feel truly at home.

WORSHIP

Are you ready to use your musical gifts to lead others in worship? Join our dynamic worship team and be part of a group that passionately serves, inspires, and elevates the worship experience. We're looking for individuals who are not only skilled but also committed to growing in their faith. There will be an evaluation process to ensure the right fit, but if you're ready to contribute and grow, we'd love to have you. Sign up today and step into a role that makes a lasting impact!

YOUTH

We believe life-change happens in the context of community and that includes our middle and high school students. At SOCO Youth, our small groups, called Crews, are designed to meet students right where they are. Each Crew is divided by age, creating space for real conversations, authentic relationships, and the life-changing hope of Jesus.

Crew Breakdown:
5th/6th Grade
Middle School (7th/8th)
Junior Varsity (9th/10th)
Varsity (11th/12th)

Opportunities to serve are available on both Wednesdays and Sundays. If you feel called to pour into the next generation, we'd love to have you on the team!
